IMPACT REPORT

for

NEC

Hi Kiri,

Thank you for choosing to partner with **All Heart NZ Charitable Trust** to find a positive outcome for your redundant items. We achieved this at no greater cost than sending the items to landfill, and the result is positive for people and our planet.

100% of your 71 items weighing 3050kg

YOUR IMPACT

We want to thank the corporate who has provided their redundant items to All Heart NZ. For us, these items represent hope and dignity. These items allow us to create living wage employment and a environmentally positive up-cycle solution. We love what we do and appreciate the support All Heart NZ and their corporate partners provide.
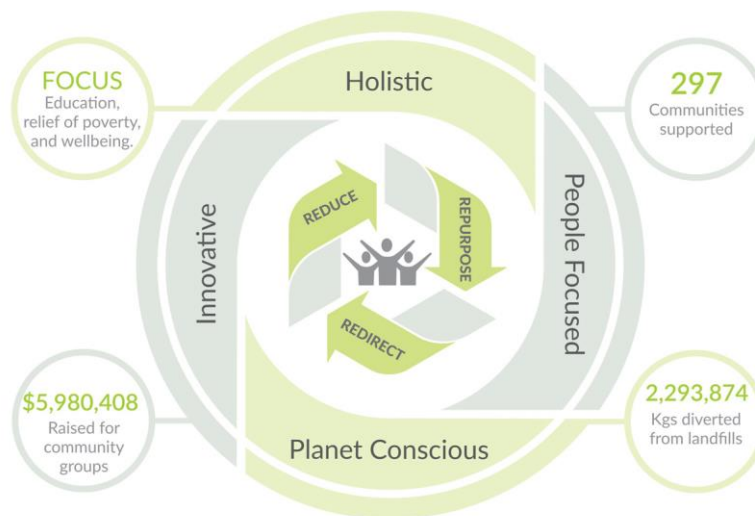

THIS ADDS TO OUR SOCIAL IMPACT TOTALS:

Although the residual financial value of your items is not very high,

we equate the community impact value to be

$7,838!

This is measured by a local community being able to reuse,

repurpose and resell these items with 100% of the benefit going to people in need.

YOUR PARTNERSHIP ADDS TO ALL HEART NZ'S OVERALL TOTALS AS FOLLOWS:

This is possible because of great companies like you, not simply sending redundant items

to the dump, but instead partnering with **All Heart NZ Charitable Trust**.

If you would like to make a commitment to further your sustainability efforts

and become an **All Heart NZ Impact Partner**, please contact any of our wonderful staff.

We would love to continue and develop your sustainability practices and our partnership with you.

Thank you and God Bless, Joe Youssef,
